Medicon Valley Alliance Directory 2008

This publication presents a list of academia, businesses, and public organisations in Medicon Valley. It can be used as a guide to the region and provides detailed company descriptions as well as contact information. The Directory will be updated yearly. Read more at www.mva.org/publications

Exposure Opportunities

Make use of the MVA media to reach the life science community in Medicon Valley and internationally.

Do you have news?

If you as an MVA member have news for our media, please send your press releases to news@mva.org.

Would you like to advertise?

When advertising in the MVA media, you get exposed for a very targeted and specialised life science audience. The users of our media are professional users from the life science community in Medicon Valley and internationally.

We offer opportunities for TV adverts in Medicon Valley TV, banner adverts at www.mva.org and in the MVA Newsletter, and adverts in our printed publications. Not the least, we offer exposure of your recruitment video, company profile or CEO profile at Medicon Valley TV.

Read more about opportunities and prices at www.mva.org/advertise.

Get more information

If you would like more information about the MVA media, please contact Communication Manager Anne Katrine Nørgaard at akn@mva.org or +45 35 32 41 55.
